Tinley Park, IL 60477

SKILLS

- Strong communication skills in both English and Polish
- Extended experience in building systems and circuits
- Familiar with programming languages including Java, C++, and Python
- Skilled with computers and hardware
- Familiar with MATLAB, and Octave

EXPERIENCE

- 10/2019 – Present **PC Building Entrepreneurship**, Palos Hills, IL
- Created ads on common marketplace apps promoting myself for custom PC and workstations builds
 - Built about 20 PC's for customers, family, friends, and myself
 - Mainly gaming PC's and a few productivity workstations
- 04/2017 – Present **Granite Installation/Construction**, Chicagoland, IL
- Have been working with my dad, Peter, since I turned 16 years old; granite and construction jobs: kitchen countertops, bathrooms, tile, flooring, painting, framing, concrete work, electrical work and more
 - Peter's contact information: (708) 620-0889
- 08/2021 – 12/2021 **Club Soccer Coach** - Gremio FC, Justice, IL
- Coached kids' soccer for one season
 - Received the offer from my old coaches, Christian and Carlos, after successfully playing for the club for 5 years
 - Carlos' contact information: (708) 595-7714
 - Christian's contact information: (708) 415-5511
- 05/2021 – 01/2022 **Recreation Center Employee** – Pleasant Dale Park District, Burr Ridge, IL
- Working with my employer, Tyler, refereeing soccer games, and scorekeeping basketball games
 - Also looking over other activities with the kids like nerf battles, and even supervising the adult softball league
 - Tyler's contact information: (630) 277-3126

EDUCATION

- Graduating 05/2023 **Bachelor of Science in Electrical Engineering**, Lewis University, Romeoville, IL
- Lewis University Presidential Scholarship
 - IEEE Member (The Institute of Electrical and Electronics Engineers)
